TO STUDENTS AND TEACHERS

The summer quarter at Appalachian State University provides broad and varied programs of instruction to meet the special needs of the following groups of students:

High school graduates will find it advantageous to begin their college studies in the summer quarter. A complete program of studies and of counseling services is available. The summer quarter offers the high school graduate an excellent opportunity to become adjusted to college life and to complete requirements for the bachelor's degree in three years.

Undergraduate students of Appalachian are encouraged to accelerate and enrich their programs.

Undergraduate students from other colleges and universities will find available a variety of courses in many fields that will meet their particular needs and that can be transferred to their home institutions.

Graduate students who wish to do graduate work leading to the Master's degree are offered a full sequence of courses in elementary education, the several areas of the high school, school administration, counseling, audiovisual services, supervision of instruction, junior college teaching, library science, reading, and special education. Specialist in Education degree programs are offered in educational leadership, elementary education, and higher education. The Specialist in Science degree may be earned in biology.

School administrators who wish to work for the sixth-year certificate in administration will find a well-planned program at Appalachian.

Teachers who desire to renew or upgrade their certificates and to improve and enrich their teaching may choose from a wide variety of courses taught by scholarly and experienced professors.

The summer quarter is an integral part of the total program of Appalachian. All facilities and resources of the college, both physical and human, are available to students and teachers. In the 1970 summer quarter, 5,673 students and teachers enrolled in regular courses, short term courses, and institutes. We invite you to study with us in the 1971 summer quarter.

Location and Climate

Appalachian State University is located at Boone, county seat of Watauga County, North Carolina, on the crest of the Blue Ridge Mountains at an elevation of 3,333 feet.

Located only eight miles from the famous Blowing Rock and five miles off the Blue Ridge Parkway, which connects the Shenandoah and the Smoky Mountain National Parks, Boone is easily accessible over United States Highways 221, 321, 421, which intersect in and lead out from the town.

Appalachian has the highest elevation of any four-year institution east of the Mississippi. The high elevation assures an unexcelled summer climate. The days are refreshing and pleasant; the nights require blankets for comfort. The mountains, the rhododendron, the mountain laurel are beautiful. The person who wishes to combine a summer of study with one of recreation in the Blue Ridge Mountains will find stimulating opportunities at Appalachian.

Accreditation

Appalachian is a member of the Southern Association of Colleges and Secondary Schools, American Council on Education, American Association of Colleges for Teacher Education, National Council for Accreditation of Teacher Education, North Carolina Association of Colleges and Universities, National Association of Schools of Music, and the National Association of Business Teacher Education.

Purpose and Philosophy

Appalachian State University is dedicated to the total development of its constituency through instruction, research, and service.

In pursuit of this purpose, Appalachian pledges itself:

To sustain an intellectual climate in which truth is sought and respected.

To provide a liberal education for all its students.

To offer, within its capabilities, pre-professional and professional education to those students who desire it.

To maintain a faculty dedicated to teaching and scholarship.

To advance the frontiers of knowledge through research.

To be cognizant of new knowledge and prepared to meet the challenge of new ideas.

To expand cultural horizons and develop appreciation of ethical and aesthetic values.

To make its resources available to the people of the geographic region.

To cooperate with all institutions and agencies which are dedicated to the betterment of mankind.

Housing

The University has 15 residence halls housing approximately 4000 students. Each room is equipped with basic furniture, but the student is expected to supply his linens, blankets, rugs, pillow, curtains, and other personal furnishings according to individual tastes. Each student is expected to observe dormitory regulations and to care for the furnishings of the room. The following is a list of appliances students may have in their rooms: lamps, clock, radio, fan, record player, hair dryer, vacuum cleaner, sewing machine, razor, television (portable or table model-21" screen maximum), popcorn popper (to be used in designated areas only), refrigerator (not to exceed the size of the model distributed by the SGA), and iron (used only in the laundry room). The following is a list of appliances students MAY NOT have in their rooms: hot plates, percolators, toasters, roasters, heat lamps, and heaters. The use of extension cords, multiple sockets, television antennae, and other attachments to the walls or plumbing fixtures is prohibited.

Dormitory rooms may be occupied on the day preceding registration day of the term for which a student plans to enroll. Rooms must be vacated on the last day of the term for which a student has been enrolled.

Spaces for graduate and undergraduate students will be in separate residence halls. The two classifications will not be mixed unless absolutely necessary. Please indicate on the reservation card your classification. To reserve a room, a student should complete the Room Reservation Blank provided at the end of

this bulletin and mail it with the room reservation fee directly to the Cashier, Appalachian State University, Boone North Carolina 28607.

Standard accommodations are for two occupants to each room, although a limited number of private rooms without private baths are available upon request. These private rooms are on a first-come, first-served basis. See bulletin section under Expenses for rental costs.

Students living in the residence halls take their meals in the cafeteria. Students who commute or who have rooming accommodations in Boone have the privilege of taking their meals in the cafeteria. Meals are prepared by experienced chefs under the direction and supervision of trained dietitians. Every effort is made to provide wholesome, appetizing food at minimum cost.

Some students may wish to secure rooms in town. A list of available housing in town may be obtained from the office of the Director of Student Housing. All students enrolled in the University, whether living on campus or off campus, are subject to the rules of good citizenship and exemplary conduct as administered and supervised by the university administration and the Student Government Association.

Recreational Facilities and Activities

Health and physical education buildings are open to summer school students. A large swimming pool is available on schedule to both men and women students. Excellent tennis courts and playing fields for baseball, softball, volleyball, and other outdoor games are available. Excellent golfing facilities are offered by the nearby Boone golf course. Hiking and fishing in the mountains are fascinating sports. The University maintains an extensive intramural program.

The W. H. Plemmons Student Center offers a variety of recreational, cultural, and leisure-time opportunities, including bowling, billiards, table tennis, music-listening, dancing, T.V., food service, and lounging space.

Many tourist attractions are located in and near Boone. The Blowing Rock is eight miles and Grandfather Mountain fifteen miles from the campus. Horn in the West, the widely acclaimed outdoor drama, is only a few blocks from the campus. Tweetsie, the last narrow-gauge railroad in eastern America, is four miles away. The Boone area is unsurpassed for scenic beauty and grandeur. Assistance will be given in planning trips to nearby points of interest.

Motor Vehicle

At Appalachian State University as almost everywhere, parking is an increasingly serious problem. The University is endeavoring to meet the problem through vehicle regulations and continuous effort to improve campus parking facilities.

All students, faculty, staff, and employees of Appalachian State University who operate or park a motor vehicle on the university campus or its environs (within 10 miles) must register his or her motor vehicle with the University. This includes students attending as commuters.

For further information and traffic regulations, please refer to the Appalachian State University Basic Campus Parking and Traffic Regulations booklet.

THE LABORATORY SCHOOLS

Elementary School: The elementary school will open on June 14 and close on July 30. A readiness program for pre-school children and enrichment and remedial courses for students in grades one through eight will be offered. The remedial work will be in reading and arithmetic for grades one through eight. A course on How to Study will be offered for grades six, seven, and eight. Enrichment courses will be offered in several areas. More detailed information on these is available at the elementary school. The tuition for two courses is \$15.00.

High School: The high school will open on June 7 and close July 30. The work in high school will cover most high school subjects. The demonstration classes are taught by regular and visiting faculty members of the school. The tuition is \$20.00.

For application blanks or additional information about the laboratory schools, write:

Undergraduates

Each student who plans to attend the summer quarter must make a request for registration. A request form can be found at the back of this bulletin.

Undergraduate students who are enrolling at the University for the first time to work toward a degree should address all correspondence concerning admission to the Director of Admissions, Appalachian State University, Boone, North Carolina 28607.

Beginning freshmen. Graduates of accredited high schools must present two units of algebra or one unit of algebra and one unit of geometry. Graduates of non-accredited high schools are admitted by certificate and satisfactory scores on an entrance examination. Applicants must have filed satisfactory scores on the Scholastic Aptitude Test of the College Entrance Examination Board, which should be taken in the senior year, preferably in November or December. For information regarding the test, application fees, reports, examination centers, and dates, the student should consult his high school principal or guidance counselor.

Undergraduate students who are currently enrolled at Appalachian and who are eligible to continue in attendance should submit their requests for registration in the summer quarter to the Registrar at least one month before the opening of the term for which registration is desired.

Students who have withdrawn in good standing or who have been suspended for academic deficiencies or other reasons should submit their requests for readmission to the Registrar.

Teachers who are not applying for admission to the Graduate School and do not want graduate credit should submit their requests for registration in the summer session to the Registrar. Courses numbered 500 or above may not be taken.

Special students. Applicants who are mature and who have had a satisfactory record of experience and education may be admitted to courses which they may be able to pursue with profit. Such applicants may be required to present evidence of having earned a college degree or evidence of the need for specific courses. Special students who desire to become candidates for degrees must satisfy entrance requirements.

An **undergraduate student** from a college or university other than Appalachian who expects to transfer credits earned in the summer session to his institution must present a statement from the Dean of his college stating that he is a student in good standing and that his proposed course of study for the summer is approved. Upon request, an official transcript of courses taken during the summer will be mailed to the student's home institution.

Auditors. Students with satisfactory records of experience and education may be admitted to specific courses as auditors with the consent of the Dean of Student Affairs and the instructor concerned. Students who audit courses must register in the Registrar's office, must be regular in attendance, but will not receive grades or credit.

First time admission. An applicant who has never previously enrolled at Appalachian must submit a formal application with a ten-dollar processing fee, which is not refundable, to the Director of Admissions, Appalachian State University, Boone, North Carolina. First-time applicants **SHOULD NOT** file the summer school application found at the back of this catalog.

Acceptance of room reservation fee **DOES NOT** denote admission to the summer school.

Graduate

Each student who plans to attend the summer quarter must make a request for registration. A request form can be found at the end of this bulletin.

Graduate students who have not previously registered at Appalachian must, in addition, file an application for admission to graduate school with the Dean of the Graduate School. Application forms can be obtained from his office.

For additional information on graduate admissions, please see the Graduate School Bulletin.

ACADEMIC REQUIREMENTS AND REGULATIONS

Appalachian operates on the quarter system with the year divided into four quarters. The summer quarter consists of two five-week terms with four two-week terms running concurrently. Students receive course credit on the basis of quarter hours.

The University awards the Bachelor of Arts, the Bachelor of Science, the Bachelor of Science in Business Administration, the Bachelor of Music, the Master of Science, the Master of Arts, the Specialist in Education, and the Specialist in Science degrees.

BACCALAUREATE DEGREE REQUIREMENTS

Requirements common to all baccalaureate degrees:

1. Completion of at least 183 quarter hours with a grade point average of at least 2.0 and a 2.0 grade point average in the major or the area of specialization. A transfer student must have at least a 2.0 grade point average on work at Appalachian.
2. Compliance with specific course requirements and distribution in general education and specialization. Specific requirements for each departmental major and minor or area of specialization are given in the general catalog.
3. Completion of residence requirements.
4. Compliance with regulations concerning settlement of all expense accounts and satisfactory citizenship.
5. Recommendation of the faculty.

Meeting graduation requirements is the student's responsibility.

For requirements for the Master's degree, see the Graduate School Bulletin.

REGISTRATION INFORMATION

Applicants should submit an application for registration to the Registrar (for undergraduate registration) or to the Dean of the Graduate School (for graduate

registration) at least two weeks prior to the beginning of the term for which registration is requested. After the application has been received by the University, the applicant will be sent additional registration instructions.

Graduate students must have their programs approved by their advisers prior to registration. Undergraduate students are responsible for choosing the courses they need. In case of question, they are urged to consult with their adviser.

Second Two-Week Term Registration

Monday, June 28 - Office of the Registrar - 2 P.M. to 3 P.M.

Third Two-Week Term Registration

Monday, July 12 - Office of the Registrar - 2 P.M. to 3 P.M.

Fourth Two-Week Term Registration

Monday, July 26 - Office of the Registrar - 2 P.M. to 3 P.M.

A late fee of \$10.00 is charged to students failing to complete registration on the announced registration date.

Academic Load

A student normally takes from fifteen to eighteen hours in a quarter, nine hours in a six-week term, and three hours in a two-week term.

Course Changes

In order to drop or add a course, a student must secure permission from his adviser. A fee of \$1.00 will be charged for dropping or adding a course unless the change was initiated by the college.

To add a course, a student must secure permission and the drop-add form from his adviser. The drop-add form is taken to the Registrar's Office where a new course card and Class Admission Card are obtained. After the close of registration, a student may not add a course.

To drop a course, a student must get the approval of his adviser. (The drop-add form is obtained from the student's adviser.) Students must secure the Class Admission Card from the instructor involved and take it and the drop-add form to the Office of the Registrar.

Any student who has official permission from his adviser may drop a course within two weeks after the close of registration for the summer quarter or within

five class hours for a five-week term and receive a grade of W. No grade points or hours will be counted for the grade of W.

Any student desiring to drop a course more than two weeks after registration closes for the summer quarter or five class hours for a six-week term must bring a note from his instructor indicating whether he is passing or failing to the Dean of his College (undergraduate) or the Dean of the Graduate School (graduate). These students will be assigned a grade of W or F depending upon whether the student is passing or failing. If the grade is W, the hours will not be counted in computing grade point averages. If the grade is F, the hours will be counted in computing grade point averages. Courses dropped at any time without permission will be recorded as F's and the hours will be counted in computing grade point averages.

Within thirty days prior to the beginning of the examination period for the summer quarter or within ten days prior to the beginning of the examination period for a five-week term, a student may not drop a course passing.

Class Attendance

A student is expected to attend every meeting of his classes, and he is responsible for his class attendance.

The student who must be absent should explain why he must be absent or why he has been absent. The instructor may or may not excuse the absence according to his own judgment. However, students who are absent for reason of officially representing the University in some activity will be excused. Statements concerning university representation will come from the Dean of Men or the Dean of Women. Medical excuses will not be written by the Student Health Service.

Withdrawal from the University

A student who wishes to withdraw from the University for any reason must make arrangements with the Dean of Student Affairs or the Dean of the Graduate School prior to withdrawal. Permission from the parents or guardian of a minor student to withdraw is required.

Students who withdraw officially from the college will receive grades of W and hours will not be counted in computing grade point averages. Students who withdraw unofficially from the college will receive grades of F and hours will be counted in computing grade point averages.

Within thirty days prior to the beginning of the examination period for the summer quarter, or within ten days prior to the beginning of the examination period for a five-week term, a student may not withdraw in good standing except for reason of illness or extreme emergency.

Reports

Final quarter or term grades are reported to the Computer Center not later than forty-eight hours after the examination in the course is given. Each instructor will post the grades of his students.

National Teachers Examination

A candidate for teacher certification is required to take the Common Examination of the National Teacher Examinations and the Option Examination, if available, in his major subject. The fees charged are those of the Educational Testing Service, Princeton, New Jersey.

Graduate Record Examination

A candidate for a baccalaureate degree in a program not leading to teacher certification is required to take the Aptitude Test and Advanced Test, if available, of the Graduate Record Examination. In some instances, candidates for baccalaureate degrees in the College of Business may elect to take the Admission Test for Graduate Study in Business rather than the Graduate Record Examination.

Graduation

Degrees are conferred at the close of the spring and summer quarters. Candidates for degrees must file application for degrees and North Carolina certificates on blanks provided by the Registrar and the Dean of the Graduate School on registration day of the quarter in which graduation requirements will be completed. At the time of filing the application, all requirements except current work should be completed.

All candidates for degrees at any commencement are expected to be present to receive their degrees in person unless excused by the Registrar or the Dean of the Graduate School.

Teacher Certification

For a regular Class A Certificate in North Carolina, a candidate must make a composite minimum score of 950 on the National Teacher Common Examination and the teaching area examination. When a teaching area examination is not available, a minimum score of 475 on the Common Examination is required for a regular Class A Certificate. A candidate who makes a minimum composite score of 875 on the National Teacher Common Examination and the area examination will be given probationary certification for one year. No certification is issued to an applicant who fails to make the minimum scores as are herein stated.

All transcripts showing that the student is qualified for a teaching certificate bear this notation:

This is to certify that (name) has satisfactorily completed the regular National Council for Accreditation of Teacher Education accredited program of this institution for the preparation of teachers and that (he or she) is specifically prepared to teach (subject). This applicant has met all other appropriate standards of this institution which are required for full recommendation for teaching.

EXPENSES

Fees are charged by the term and are due and payable in advance at the beginning of each term. Any special arrangement for the payment of expenses must be made at the time of registration for the term with the Controller's Office.

Before taking final examinations at the close of the quarter or term, a student is expected to settle all accounts. A student may not register for a new term until all charges have been paid or arranged for. A student cannot receive a

degree, certificate, or transcript of credits until all accounts except current loans have been paid.

Refunds and Withdrawals

A student who withdraws from the university before the end of the quarter or term will have a proportionate part of the amount paid for board refunded. If a student withdraws before registration for the quarter or term is closed one-half of the fees for room and tuition will also be refunded. Refunds will be calculated from the date of the official withdrawal from the university.

Out-Of-State Students

The following statement governs a student's classification as a resident or nonresident of North Carolina with respect to tuition payment.

1. General: The tuition charge for legal residents of North Carolina is less than for nonresidents. To qualify for in-state tuition, a legal resident must have maintained his domicile in North Carolina for at least the six months next preceding the date of first enrollment or re-enrollment in an institution of higher education in this State.
2. Minors: The legal residence of a person under twenty-one years of age at the time of his first enrollment in an institution of higher education in this State is that of his parents, surviving parent, or legal guardian. In cases where parents are divorced or legally separated, the legal residence of the father will control unless custody of the minor has been awarded by court order to the mother or to a legal guardian other than a parent. No claim of residence in North Carolina based upon residence of a guardian in North Carolina will be considered if either parent is living unless the action of the court appointing the guardian antedates the student's first enrollment in a North Carolina institution of higher education by at least twelve months.

A minor student whose parents move their legal residence from North Carolina to a location outside of the State shall be considered to be a non-resident after six months from the date of removal from the State.

For the purpose of determining residence requirements under these rules, a person will be considered a minor until he has reached his twenty-first

birthday. Married minors, however, are entitled to establish and maintain their residence in the same manner as adults. Attendance at an institution of higher education as a student cannot be counted as fulfilling the six-month domicile requirement.

3. **Adults:** A person twenty-one years of age or older is eligible for in-state tuition if he has maintained continuous domicile in North Carolina for the six months next preceding the date of enrollment or re-enrollment, exclusive of any time spent in attendance at any institution of higher education. An in-state student reaching the age of twenty-one is not required to re-establish residence provided that he maintains his domicile in North Carolina.

Married Students: The legal residence of a wife follows that of her husband except that a woman currently enrolled as an in-state student in an institution of higher education may continue as a resident even though she marries a nonresident. If the husband is a nonresident and separation or divorce occurs, the woman may qualify for in-state tuition after establishing her domicile in North Carolina for at least six months under the same conditions as she could if she were single.

5. **Military Personnel:** No person shall be presumed to have gained or lost in-state residence status in North Carolina while serving in the Armed Forces. However, a member of the Armed Forces may obtain in-state residence status for himself, his spouse, or his children after maintaining his domicile in North Carolina for at least the six months next preceding his or their enrollment or re-enrollment in an institution of higher education in this state.
6. **Aliens:** Aliens lawfully admitted to the United States for permanent residence may establish North Carolina residence in the same manner as any other nonresident.
7. **Property and Taxes:** Ownership of property in or payment of taxes to the State of North Carolina apart from legal residence will not qualify one for the in-state tuition rate.
8. **Change of Status:** The residence status of any student is determined as of the time of his first enrollment in an institution of higher education in North Carolina and may not thereafter be changed except: (a) in the case of a nonresident student at the time of his first enrollment who, or if a minor, his parents, has subsequently maintained a legal residence in North Carolina for at least six months, and (b) in the case of a resident who has abandoned his legal residence in North Carolina for a minimum period of six months. In

either case, the appropriate tuition rate will become effective at the beginning of the term following the six-month period.

9. **Responsibility of Student:** Any student or prospective student in doubt concerning his residence status must bear the responsibility for securing a ruling by stating his case in writing to the admissions officer. The student who, due to subsequent events, becomes eligible for a change in classification, whether from out-of-state or in-state or the reverse, has the responsibility of immediately informing the Director of Business Affairs and Registrar of this circumstance in writing. Failure to give complete and correct information regarding residence constitutes grounds for disciplinary action.

STUDENT FINANCIAL AID

Appalachian encourages and assists students in meeting university expenses through scholarships, loans, and part-time employment. Application forms for all student aid are available upon request from the Financial Aid Office. Aid applications for summer and the academic year (separate applications) must be submitted by April 15. In addition, applicants interested in a National Defense Loan, College Work-Study, or an Educational Opportunity Grant must have their parents submit a "Parents' Confidential Statement" which is available at one's high school and should be submitted to the College Scholarship Service, Box 176, Princeton, New Jersey. An upperclassman may secure a "Parents' Confidential Statement" form from the Financial Aid Office.

Information to Veterans

The University is approved for providing training under provisions of Chapter 34, Title 38, U. S. Code, G. I. Bill effective, June 1966; Chapter 35, Title 38, U.S. Code, the children of deceased or disabled veterans; and Public Law 894, for disabled veterans.

Students enrolling under provisions of Chapter 34 and 35 will pay fees at the time of registration but receive a monthly education and training allowance from the Veterans Administration. Since the first check is usually delayed, a veteran should make his financial arrangements for the first six weeks enrollment.

Students may contact the Veterans Administration Regional Office, 301 North Main Street, Winston-Salem, North Carolina for information and necessary forms.

APPROVAL FROM THE VETERANS ADMINISTRATION SHOULD BE RECEIVED BY THE STUDENT BEFORE ENTERING SCHOOL. THE APPROVAL FORM (CERTIFICATE OF ELIGIBILITY) SHOULD BE SUBMITTED TO THE FINANCIAL AID OFFICE FOR COMPLETION AFTER THE VETERAN ENROLLS.

Children of disabled or deceased veterans may receive assistance in payment of tuition, room, meals, and other university fees. For information regarding eligibility and application forms, students should write to the North Carolina Veterans Commission, Raleigh, North Carolina.

Self-Help

The University provides limited opportunities for self-help to students who wish to earn a part of their expenses. The majority of part-time employment is under the College Work-Study Program under Title I, Part C, of the Economic

Opportunity Act of 1964. A GRADUATE OR UNDERGRADUATE STUDENT RETURNING TO SCHOOL FOR THE SUMMER SESSION ONLY IS NOT ELIGIBLE FOR THIS PROGRAM.

College Foundation, Inc.

College Foundation, Inc. is the agency in North Carolina for the administration of the Guaranteed Loan Program. Under this program a student may borrow as much as \$1,500 a year.

A student from a family with an adjusted income of less than \$15,000 per year will pay only $\frac{1}{2}$ of 1% insurance fee while in school. Repayment of principal and interest begins when the student has ceased his course of study. At that time the student will assume the loan and the interest. A student from a family with an adjusted income higher than \$15,000 a year pays the entire interest on the loan, but he may borrow under the Guaranteed Loan Program at seven per-cent simple interest if the funds are available. Request for applications should be made to the Student Financial Aid Office. The deadline for receiving applications for summer is June 1.

A GRADUATE OR UNDERGRADUATE STUDENT RETURNING TO SCHOOL FOR THE SUMMER SESSION ONLY IS NOT ELIGIBLE FOR A LOAN UNDER THIS PROGRAM.

National Defense Student Loan Program

Appalachian participates in the National Defense Student Loan Program, which is a part of the National Defense Education Act of 1958. An undergraduate student may borrow up to \$1,000 each academic year to a total of \$5,000.

Graduate students may borrow as much as \$2,500 per year to a maximum of \$10,000. The repayment period and the interest do not begin until nine (9) months after the student ends his studies. The loans bear interest at the rate of three per-cent per year and repayment of principal may be extended over a ten-year period, as long as the minimum repayment of \$45 per quarter is met.

If a borrower becomes a full-time teacher in an elementary or secondary school or in an institution of higher education, as much as half of the loan may be forgiven at the rate of ten per-cent for each year of teaching service.

Borrowers who elect to teach in certain eligible schools located in areas of primarily low-income families may qualify for cancellation of their entire obligation at the rate of fifteen per-cent per year.

A GRADUATE OR UNDERGRADUATE STUDENT RETURNING TO SCHOOL FOR THE SUMMER SESSION ONLY IS NOT ELIGIBLE FOR A LOAN UNDER THIS PROGRAM.

Scholarships

A limited number of scholarships, provided by the Special In-Service Teacher Education Program of the North Carolina State Department of Public Instruction, are available for study in humanities, mathematics, sciences, and social sciences for teachers under contract for 1971-1972. A statement from their superintendent certifying employment for the 1971-72 academic year is necessary.

Applications may be obtained by writing to the Director of Student Financial Aid.

WORKSHOPS

A maximum of three quarter hours may be earned each two-week term. Each course meets Monday through Friday for two weeks.

A person with a satisfactory record of experience and education may be admitted to a two-week course as an auditor with the consent of the Dean of his College and the instructor. An auditor must register for the course and pay the regular tuition and fees but will not receive a grade or credit on the course.

INSTITUTES

History 518 or Political Science 518 -- The Sino-Soviet World

9 quarter hours

Section 10 June 7 - July 9, 1971

This is an interdepartmental program designed to introduce teachers and students to Russia and China in the period of late 19th and 20th centuries. Topics to be discussed are: Marxist theory and ideology, domestic developments in Russia and China, and the traditional and contemporary foreign involvements of these countries. Distinguished visiting lecturers will highlight key topics during the five-week session.

Efforts are being made to secure funds to help defray tuition and other out-of-pocket expenses.

Political Science 510 -- Constitutional Democracy and Totalitarianism

6 quarter hours

Section 10--Appalachian State University, July 12 - August 6, 1971

Section 11--UNC-Charlotte, July 12 - August 6, 1971

Section 12--UNC-Wilmington, July 19 - August 13, 1971

The institute is designed to prepare teachers of social studies in North Carolina to carry out the State Department of Public Instruction's approach to teaching about Communism. Constitutional Democracy will be studied relative to capitalism in the United States and socialism in Great Britain. The forms of totalitarianism to be studied are Communism in the USSR and Red China and facism in Nazi Germany. Emphasis will be placed on theory and on governmental institutions and practices. In addition, a field trip will be made to the John F. Kennedy Center for Special Warfare at Fort Bragg, North Carolina.

The State Department of Public Instruction and the North Carolina Educational Council on National Purposes will make available to North Carolina social science teachers a limited number of in-service tuition scholarships and help them finance their out-of-pocket expenses.
